### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Allied Media Projects, Inc. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Report on Summarized Comparative Information

We have previously audited Allied Media Projects, Inc.'s December 31, 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 19, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

ALLIED MEDIA PROJECTS, INC.  
NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Allied Media Projects, Inc. (the Organization) is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code as an organization that is not a private foundation. The mission of the Organization is to cultivate media strategies for a more just and creative world.

The Organization was founded in 2002 and incorporated in the State of Ohio with authority to transact business in Michigan.

The Organization's program and supporting services are as follows:

Program Services

The purpose of the Organization is to support the growth of media-based organizing models and disseminate them through the annual Allied Media Conference, an annual gathering of social justice organizers and alternative media makers in the Detroit area.

Management and General

This includes the functions necessary to maintain an adequate working environment, provide proper administrative support of the Organization's programs, and manage the financial and budgeting responsibilities of the Organization.

Fund Raising

This provides the structure necessary to encourage and secure support from individuals, foundations and government agencies.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205, *Presentation of Financial Statements*. Under ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

ALLIED MEDIA PROJECTS, INC.  
NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Presentation (continued)

Unrestricted Net Assets – net assets that are not subject to “donor-imposed” time or purpose restrictions.

Temporarily Restricted Net Assets – net assets subject to “donor-imposed” restrictions that may or will be met by actions of the Organization and/or the passage of time. Restrictions that expire with the passage of time or can be removed by accomplishing certain requirements are classified as temporarily restricted net assets.

Permanently Restricted Net Assets – net assets subject to “donor-imposed” restrictions that they be maintained in perpetuity. Restrictions that require an asset be invested and only allow the income to be used are classified as permanently restricted net assets. The Organization has no permanently restricted net assets at December 31, 2014.

Earnings, gains and losses on restricted net assets are classified as unrestricted unless specifically restricted by the donor or by applicable state law.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, highly liquid investments with maturities of three months or less when purchased are considered cash equivalents and recorded at cost, which approximates fair value.

Accounts Receivable

The Organization considers accounts receivable to be fully collectible at December 31, 2014; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

ALLIED MEDIA PROJECTS, INC.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Equipment

Equipment is carried at cost or, if donated, at fair market value at the time of the donation. Depreciation is provided on a straight-line basis over the estimated useful lives of three to seven years. The Organization's policy is to capitalize acquisitions of \$1,000 or more. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

Revenue and Support

Revenue from grant awards under expense reimbursement programs is recognized in the period during which the related expenses are incurred. In cases where expenses are incurred in advance of receiving the grant, revenue and accounts receivable are recorded in the period during which the expenses are incurred. In cases where grants are received in advance of incurring the expenses, deferred revenue is recorded in the period during which the advance is received and recognized as income when the related expenses are incurred.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributions of donated services that create or enhance nonfinancial assets or require specialized skills that are provided by individuals possessing those skills, and that would typically need to be purchased if not provided by donation are recorded at their fair values in the period received. The Organization pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific program activities.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional Classification of Expenses

Direct expenses, which can be clearly defined as incurred for a specific program, are charged to that program. The Organization allocates common expenses to program and supporting services based on time studies by management.

Tax Positions

The Organization is subject to routine audits by taxing jurisdictions; however, there are no audits currently in progress for any tax periods. The Organization believes it is no longer subject to income tax examinations for fiscal years ending prior to December 31, 2007.

Fair Value Disclosure

Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. The Organization's significant financial instruments are cash, accounts receivable, and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.
